

VANTAGE

ANTISEPTIC 0.5% w/w CREAM CETRIMIDE

Treats minor burns, scalds, wounds, cuts, grazes and abrasions

Vantage Antiseptic Cream is a mild antiseptic used to treat minor burns, minor scalds, minor wounds, cuts, grazes and minor abrasions.

Do not use this product:

If you are allergic to any of the ingredients listed.

In body cavities (eg mouth, ear) or as an enema (a treatment to clean the bowel).

Avoid contact with eyes, middle ear, brain (if using in a surgical procedure) and surrounding areas.

How to use:

Apply thinly and evenly over the affected area of skin.

Continue using until symptoms disappear.

There is no difference in use for adults, children or the elderly.

Important information:

If you get this cream in your eye, wash with a large quantity of running water.

If you swallow this product seek medical attention.

Cetostearyl alcohol may cause local skin reactions, eg contact dermatitis (inflammation of the skin).

Hydroxybenzoates may cause allergic reactions (eg rash) possibly delayed.

Ingredients:

Active ingredient: Cetrimide 0.5% w/w.

Other ingredients are Cetostearyl Alcohol, Liquid Paraffin, Methyl (E218), Ethyl (E214), Propyl (E216), iso-Butyl and n-Butyl Hydroxybenzoates and Purified Water.

Storage:

Store below 25°C.

KEEP OUT OF THE REACH AND SIGHT OF CHILDREN

The cream should not be used after the expiry date indicated on the pack.
