

BELL'S

GOLDEN EAR DROPS

Read all of this leaflet carefully because it contains important information for you.

This medicine is available without prescription. However, you still need to use Golden Ear Drops carefully to get the best results from them.

- Keep this leaflet. You may need to read it again.
- Ask your pharmacist if you need more information or advice.
- You must contact a doctor if your symptoms worsen or do not improve.
- If any of the side effects gets serious, or if you notice any side effect not listed in this leaflet, please tell your doctor or pharmacist.

In this leaflet:

1. What Golden Ear Drops are and what they are used for
2. Before you use Golden Ear Drops
3. How to use Golden Ear Drops
4. Possible side effects
5. How to store Golden Ear Drops
6. Further information

1. What Golden Ear Drops are and what they are used for

Golden Ear Drops are used to loosen and remove ear wax and to relieve any pain associated with the wax.

2. Before you use Golden Ear Drops

- **Do not use if you are allergic to Peanuts, as this product contains Arachis Oil (Peanut Oil).**
- **Do not use if you have an allergy to Soya.**
- Do not use if you are allergic (hypersensitive) to any of the other ingredients in Golden Ear Drops.
- Do not use if your ear is inflamed or infected.

3. How to use Golden Ear Drops

These drops are for use in the ear only.

Adults and children:

- Warm the bottle to body temperature.
- Tilt the head to one side.
- Put a few drops into the ear using the dropper provided.
- Keep the head on one side for at least two minutes and then gently insert a little cotton wool.
- Remove after a few minutes
- Repeat night and morning for a few days until the wax has cleared.

If symptoms persist, consult your doctor.

If you accidentally ingest Golden Ear Drops, seek medical advice.
